Some of you have only one number between pieces to change. It is your responsibility to have all of your costume parts placed behind the screen back stage, and to change as quickly and quietly as possible. We will assign dressers for you as well. All dancers should have a nude, low back camoiselle leotard as a base for all costumes. Dancers in one piece only, you will be of great value to your fellow dancers in helping with quick changes that occur throughout the show.

Things to remember:

- Turn in your flower/video order
- Take care of any remaining costume/tuition balances. Invoices have been sent.
