PRINCESS & PRINCE
Dance Exploration Camp

Your child will be delighted to learn dances and activities based on Cinderella, Snow White and Beauty & the Beast. This is a great opportunity for your preschooler (3-5 year old) to explore all aspects of dance in a positive, nurturing environment. Children will experience ballet, tap and jazz - utilizing fun movement games and a chance for creative expression, with a Princess & Prince theme throughout. Children will be provided with a snack and arts & crafts activities as well.
