

Dance Arts Academy Etiquette:

Drop Off/Pick Up: Students should arrive no more than 15 minutes prior to class and be picked up immediately following class.

Appearance: All children in Light Pink dress code (Creative Movement, Dance Exploration, and Pre-Ballet Programs) may wear their hair neatly pulled back and off the neck. All other dancers are required to have their hair (including bangs) neatly secured in a bun for all ballet classes. A neat, secured ponytail is acceptable for all other dance forms.

Attendance: Students are expected to attend all classes as absences inhibit progress. Students should be ready for class at the designated time, in appropriate dress code. Teachers may refuse admission to students who are late or out of dress code. Please call the studio if your dancer is sick and will miss class.

Make-ups: Missed classes may be made up within the term incurred, but not transferred to another term or another student. Make-ups allowed in comparable classes or below. Please provide instructor/faculty with a make-up slip (available at front desk) when the class is made up.

In addition to the above, please read our studio rules available at Dance Arts Academy. Thank you for contributing in a positive way to the beautiful atmosphere that we have created in our space.

DAA would like to thank all of our students and parents for their continued support of our faculty and business.
